

AMENDMENT NO. 3
to
APPENDIX NO. 6
to the
AGREEMENT
between the
TAIPEI ECONOMIC AND CULTURAL REPRESENTATIVE OFFICE
IN THE UNITED STATES
and the
AMERICAN INSTITUTE IN TAIWAN
for
TECHNICAL ASSISTANCE
IN AREAS OF WATER RESOURCE DEVELOPMENT

The Taipei Economic and Cultural Representative Office in the United States (TECRO) and the American Institute in Taiwan (AIT) (hereinafter referred to collectively as “the Parties”);

Recalling the Agreement between TECRO and AIT for Technical Assistance in Areas of Water Resource Development, signed on August 24, 1987, as amended and extended, (“the Agreement”);

Have agreed as follows:

- I. Appendix No. 6 to the Agreement, signed by TECRO and AIT on December 21, 1992 and June 25, 1993, respectively, as amended, (“the Appendix”) is hereby amended as follows:
 - A. Section 1, Purpose of the Appendix, is hereby amended to read as follows:

"1. Purpose of the Appendix

This Appendix provides a framework through which AIT, through its designated representative the Bureau of Reclamation (Reclamation), can perform the following reimbursable services for TECRO, through its designated representative the Ministry of Economic Affairs (MOEA):

- a. Technical assistance and consultation on the following water resources engineering projects:

- (1) New projects and renovation and upgrading of existing projects
 - (2) Drought and climate considerations
 - (3) Water resource management modeling
- b. Technical assistance and consultation on dam safety management:
- (1) Dam safety and risk management
 - (2) Instrumentation and operation of dams
 - (3) Security of dams
- c. Technical exchanges and educational training”

B. Section 2, Estimated Costs of Services, is hereby amended to read as follows:

“2. Estimated Costs of Services

TECRO, through its designated representative, shall reimburse AIT, through its designated representative, the costs for providing technical assistance and consultation. Daily costs for each person shall include base salary, benefits, administrative overhead, travel, and per diem costs. AIT shall bill TECRO for actual costs incurred; however, the annual costs shall be limited to the amounts made available by the Water Resources Agency of the MOEA and decided in advance by both Parties.

Reimbursement for the daily costs shall be based on the following rates, which can be adjusted annually in accordance with the standards and regulations of the authorities represented by AIT:

- a. Transportation - Costs for airline tickets shall be reimbursed on actual costs for economy class tickets. Ground transportation shall be reimbursed based on actual costs.
- b. Per diem – Costs for lodging and meals shall be reimbursed at the rates in

effect at the time of travel, as established by the U.S. Department of State. The present per diem rate for Taipei is \$306 per person per day.

- c. Staff-day costs – Salary, benefits and administrative costs shall be billed as one charge and shall be applied at Reclamation's Technical Service Center's billable rate, presently set at \$1272 per staff-day.
- d. Report writing – In addition to charges for travel to the territory of the authorities represented by TECRO, Reclamation travelers shall provide an estimate for report writing prior to the commitment of travel. Report writing is limited to a maximum of 5 staff-days per person per trip.”

C. Section 3, Financial Provisions, is hereby amended to read as follows:

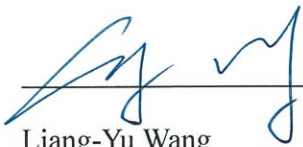

“3. Financial Provisions

- a. All payments stated herein shall be paid in U.S. dollars.
- b. Activities under this Appendix shall be conducted on a fully reimbursable basis.
- c. The Parties shall jointly decide the annual scope of work and cost estimate.
- d. Full payment in advance shall be paid to AIT by TECRO and received before work commencement.”

This Amendment shall enter into force upon signature by both Parties.
